Please complete the 11 tasks on the attached sheet and be ready to share your ideas, views in September.

Activity 2

Get an A3 scrapbook and fill it with articles/comments/adverts/images from the Guardian and the Daily Mail (or their online counterparts) and analyse from this evidence who you think the targeted audiences are and what you think the political and cultural agenda of these newspapers is. Have conversations with your families and friends over this – see if you can come to your first media lesson with some informed opinions on this.
