Bienvenus/ Bienvenidos!

- At The Misbourne, we deliver high quality and authentically-rich lessons in both French and Spanish.
- We offer French to A-level and Spanish to GCSE.
- French and Spanish are delivered by subject specialists and linguistic experts.
- Teachers like to share their own first-hand experiences of the target language country and inspire our students to develop their intercultural understanding and appreciation.

MFL Facilities and Resources

- Most of our MFL lessons are taught in the MFL block. This allows students to have access to key terms, phrases and vocabulary around the classrooms. We have a few lessons in computer rooms, which give our linguists the chance to listen independently via headphones.
- Students have access to subject specialists and linguists to give them maximum exposure to the target language.
- Students will receive a knowledge organiser and revision pack that contains all key terms and relevant study material.
