APPENDIX TWO - AT THE PANEL HEARING 9

Introduction

Our governing body has adopted this procedure to deal with concerns or complaints from members of the Academy community or general public.

Aims and Objectives

Our Academy aims to be fair, open and honest when dealing with any complaint and to resolve it through open dialogue and mutual understanding.

Careful consideration will be given to all concerns and complaints and we will deal with them as swiftly as possible. We will provide sufficient opportunity for any complaint to be fully discussed.

In all cases we will put the interests of the child above all other issues.

Our procedure is underpinned by the following **framework of principles**: -

- encourage resolution of problems by informal means wherever possible
- be easily accessible and publicised
- be simple to use and understand
- be impartial
- be non-adversarial
- allow swift handling with established time-limits for action and keeping people informed of the progress
- ensure a full and fair investigation by an independent person where necessary
- respect people's desire for confidentiality, wherever possible (some information sharing may be necessary to carry out a thorough investigation)
- address all points of issue, providing an effective response and appropriate redress, where necessary
- provide information to the Academy's senior leadership team so that services can be improved.

Areas not covered by this procedure

This procedure does not apply to issues concerning admissions, exclusion appeals, statutory assessments of special educational needs or grievances by Academy staff. These are the subject of separate complaints procedures; more information can be obtained from the Academy.

In addition, Ofsted has the power to investigate certain (qualifying) complaints about maintained Academies, including those from parents. A qualifying complaint is one that affects the whole Academy, not an individual. More information can be obtained from the Academy or Ofsted.

All other complaints are handled by the Academy according to the arrangements set out below.

Stage 1 – initial concerns

If you have any concerns about the Academy, or the education we are providing at any time, please discuss the matter with your child's Head of Year or Deputy Headteacher at the earliest opportunity.

It is **not** appropriate to publicise any concerns you may have on social networking sites. Please speak, or write, to someone at the Academy at your earliest convenience, rather than using any other means.

The Academy considers any concerns very seriously and most problems can be resolved following discussion and a shared understanding of the issues. All members of staff work very hard to ensure that each child is happy at Academy and is making good progress and they always want to know if there is a problem so they can help to resolve it.

Most concerns can be resolved at this level, however, if after speaking to your child's Head of Year or the Deputy Headteacher you are still concerned please discuss the matter with the Headteacher.

Stage 2 – formal procedure

Most concerns are resolved at Stage 1, however if you remain dissatisfied and wish to take the matter further you can let us know in person, by telephone or in writing.

There is a complaint form (Appendix 1) attached to this procedure which can be helpful to complete. The aim of the form is to give us as clear an understanding as possible of your complaint and includes a section on what actions you feel would resolve the problem.

If you would like support in completing the form from someone unconnected with the complaint, please let us know and we would be happy to organise this for you.

If you are making your complaint in writing, it should be returned to the headteacher. However, if the complaint is about the headteacher or a governor, it should be returned to the chair of the governing body at the Academy address, marking the envelope 'FOR IMMEDIATE ATTENTION'. If your complaint is about the chair of the governing body, your completed form should be returned to the Clerk of the Governing Body.

You will receive an acknowledgement of the receipt of your complaint within 5 working days.

Investigation

An investigation will be carried out into the complaint and the way it has been handled by the Academy. This will include a review of any relevant documentation and information and seeking the views of relevant people, where necessary. The person undertaking the investigation will normally write to you with the outcome of this process within 15 working days of receiving the complaint.

If, at any time, it becomes apparent that the complaint is a disciplinary or capability issue, the matter will be dealt with by following the appropriate procedure rather than the complaints procedure. You will be notified if this is the case with your complaint, however, you are not entitled to know which procedure, or the final outcome, because of the right to confidentiality of the member of staff involved.

Following the outcome of the investigation, if you feel your concern has not been resolved, you may choose to move to Stage 3 of the procedure. You must let the Academy know if you wish to do this within 15 working days of the completion of Stage 2.

Stage 3 – Hearing by a Panel

At this stage the complaint will be considered by a panel of two governors and a person who is independent of the management and running of the school who will meet to consider the complaint and make a final decision about it on behalf of the Governing Body.

Panel members will have no detailed prior knowledge of the complaint, or connection with the complainant. The meeting will normally take place within 15 working days of your request.

You will have the opportunity to submit evidence on the complaint prior to the meeting of the panel and also to attend, accompanied by a friend/partner if you wish, to put your case. The headteacher will be given the same opportunities. Appendix 2 outlines the process that will be followed at a panel hearing.

Outcome of the Panel Hearing

The panel will write to you with its conclusion within 5 working days of the meeting, and its decision is final.

If you are still not satisfied, you may wish to put your complaint to the Secretary of State for Education, who can review whether the Academy has acted reasonably and followed the correct procedures.

The Academy's Complaint Unit (SCU) considers complaints relating to LA maintained Academies in England on behalf of the Secretary of State and can be contacted via: -

- National Helpline 0370 000 2288
- online at: www.education.gov.uk/help/contactus
- by writing to the Department for Education, Academy Complaints Unit, 2nd Floor, Piccadilly Gate Store Street Manchester M1 2WD

If the Academy is an academy or free Academy and you are still not satisfied, you may also contact the Education Funding Agency via its Academics' Complaints Form.

Serial or Persistent Complaints

Unfortunately, in a small minority of cases, people pursue their complaints in a way which can either impede the investigation of their complaint or can have significant resource issues for the Academy.

These actions can occur either while the complaint is being investigated, or once the Academy has concluded the complaint investigation.

In such cases, the Academy will follow advice from the Department for Education and the Local Government Ombudsman.

Monitoring and Review

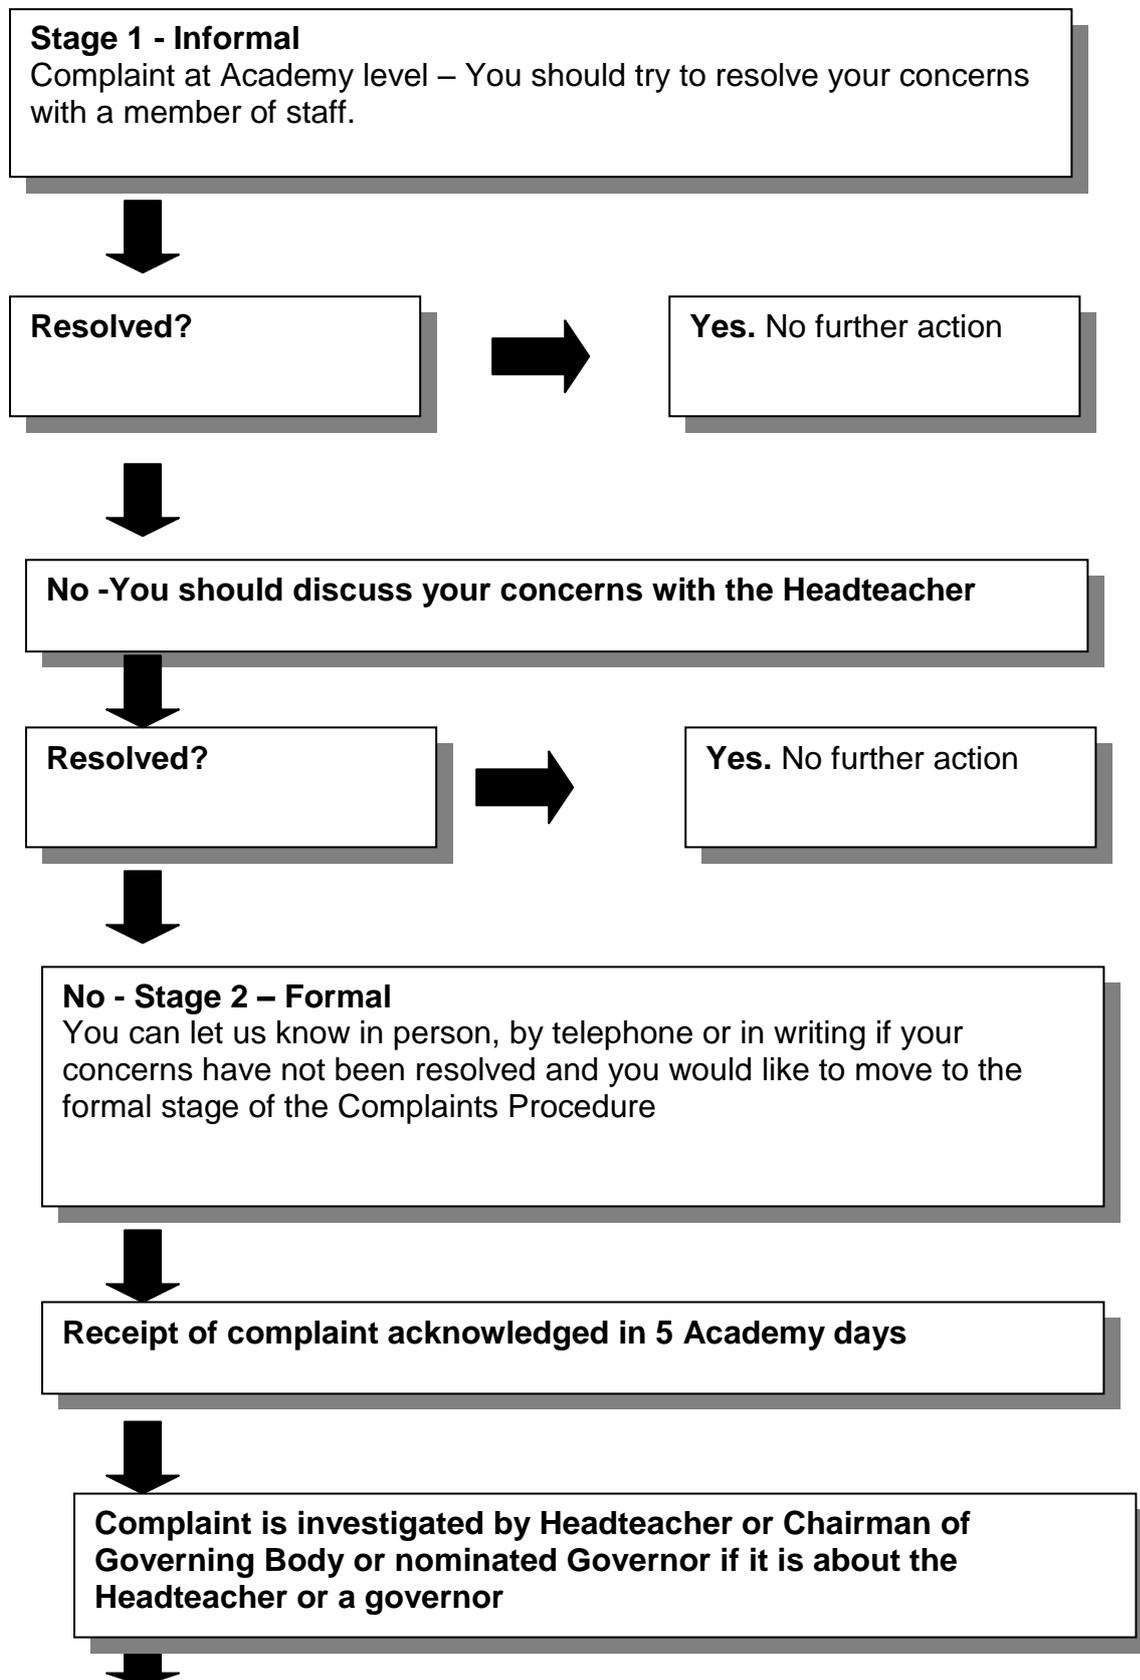

The Governing Body monitors the complaints procedure, in order to ensure that all complaints are handled properly. The headteacher logs all formal complaints received by the Academy and records how they were resolved. Governors examine this log on an annual basis and consider the need for any changes to the procedure.

This policy will be reviewed when there are changes in the law, or annually if there is a requirement. This policy will be promoted and implemented throughout the Academy.

All policies are reviewed at least every three years to ensure implementation and effectiveness.
