

March 2020

Dear Families

As part of our on-going curriculum enrichment provision in school, we are running a series of Enrichment Days each year, to provide students with the opportunity to bring learning to life and experience aspects of the curriculum that they may not usually have the chance to.

We are pleased to let you know that the first of these Enrichment Days will be on Monday 30th March 2020. All our students will be in their year groups for the day, experiencing a range of exciting activities/events led by different curriculum areas:

- **Who is the event for?** Year 10 Students
- **Which Curriculum areas will be running the day?** The Philosophy and Ethics Department
- **What does the day involve?** During the day students will be visiting St Paul's Cathedral to support them in their GCSE Philosophy and Ethics course. This will develop their understanding of Christianity, which forms a fundamental part of the syllabus.
- **Do students need to bring anything with them?** Students must wear full school uniform (including footwear) and bring their packed lunches with them. They will also need a pen and paper.
- **Additional Information?** Please be aware that the times of the day will be 8:15-4:30. You will need to make alternative arrangements for your child's travel home from school. Students will be involved in a lot of walking on this trip and there are some slightly narrower staircases at St. Paul's, if this will cause any concerns then please do let Miss Perry know as soon as possible.

If you have any further questions, please do not hesitate to contact me at admin@themisbourne.co.uk

Yours sincerely

Mrs C Owen
Head of Year 7
Curriculum Development Manager

The Misbourne continues to be a Good School:

"A culture of ambition permeates the school; students are at the heart of everything the school does"
