

March 2020

Dear Families

As part of our on-going curriculum enrichment provision in school, we are running a series of Enrichment Days each year, to provide students with the opportunity to bring learning to life and experience aspects of the curriculum that they may not usually have the chance to.

We are pleased to let you know that the first of these Enrichment Days will be on Monday 30th March 2020. All our students will be in their year groups for the day, experiencing a range of exciting activities/events led by different curriculum areas:

- **Who is the event for?** Year 12 Students
- **Which Curriculum areas will be running the day?** The Sixth Form Centre
- **What does the day involve?** Students will be supported in developing competencies needed to prepare to leave school as part of the 'Talk about the Future Workshop'. This will support them in:
 1. Highlighting and nurture employability skills, interview techniques and key presentation methods
 2. Developing oracy skills that improve connections with potential employers and training providers
 3. Equipping students with advanced visual, vocal and verbal communication skills
 4. Boosting levels of confidence and self-esteem as students move on from school or college
 5. Providing students with a resource to assist the creation of a CV using appropriate and professional terminology
- **Do students need to bring anything with them?** No.
- **Additional Information?** Please be aware that the times of the day will stay as normal.
