

Dear Families

It is with regret that I am writing to inform you that due to the unprecedented circumstances surround the Covid-19 outbreak, we have had to make the difficult decision to cancel the Year 8 Guided Choices evening. This was due to be held on Wednesday 25th March 2020.

However we would like to reassure you that students have already been through a detailed support program including:

- Whole year group assemblies where we discussed how the option process works
- 1:1 meetings with either myself or a member of our Senior Leadership Team where they discussed their possible subject choices.
- Taster lessons for all subjects where students could experience a typical GCSE lesson

In addition to this we sent out to all families a comprehensive copy of the guided choices brochure in which you will find detailed information on the different subjects we have to offer.

The next stage in our guided choices process is for your son/daughter to confirm their choices. Please can I ask that you discuss with your child their proposed choices and complete the following link. Please can you confirm these choices by **Wednesday 1st April 2020**.

I would also like to take the time to thank you all for your support and understanding, it is greatly appreciated.

Kind regards,
