

March 2020

Dear Families

As part of our on-going curriculum enrichment provision in school, we are running a series of Enrichment Days each year, to provide students with the opportunity to bring learning to life and experience aspects of the curriculum that they may not usually have the chance to.

We are pleased to let you know that the first of these Enrichment Days will be on Monday 30th March 2020. All our students will be in their year groups for the day, experiencing a range of exciting activities/events led by different curriculum areas:

- Who is the event for? Year 9 Students
- Which Curriculum areas will be running the day? The Maths and PE Departments
- What does the day involve? During this day students will be learning many transferable skills, such as orienteering, bearings, route finding and teamwork. This will highlight the importance of transferable Maths skills that students will then use in later life.
- Do students need to bring anything with them? Part of this day will involve outside orienteering, therefore it is important that your child comes prepared for this day including their pencil case. Students must be in full Misbourne PE kit with plenty of water and suitable outer layers including a coat and a change of clothes. Dependent on weather they may also require sunscreen and/or waterproofs.
- Additional Information? Please be aware that the times of the day will stay as normal.

If you have any further questions, please do not hesitate to contact me at admin@themisbourne.co.uk

Yours faithfully

Mrs C Owen
Head of Year 7
Curriculum Development Manager

The Misbourne continues to be a Good School:

“A culture of ambition permeates the school; students are at the heart of everything the school does”
