Year 9 Making the Grade Evening

Dear Families,

We would like to invite you and your child to our 'Making the Grade' evening for Year 9 students on **Thursday 18 March from 5:15pm - 7:00pm.**

This event will provide an opportunity to hear from your child's teachers in their options subjects, and to better understand how to make a success of studies in these subjects. Staff will discuss how best to work with your child at home to maximise their opportunities for success and how to access resources that will support them in making excellent academic progress in Year 9 and beyond.

We know that building a strong connection between school and home is key to ensuring the success of our students and we're keen to work with you to support your child on their journey through Key Stage 4.

The event will start with an introductory talk, followed by separate subject talks that match your child's options blocks. This event will take place virtually via Microsoft Teams. As this is a live event, families will be able to ask questions to subject teachers during the event following each subject presentation. **We will email links to the event from 4:30pm on 18 March (45minutes before the event begins), so please check your emails at this time.**

We look forward to seeing you next Thursday, and if you have any questions in the meantime, please contact your child's school base.

Yours faithfully

Michael Worth

Assistant Headteacher, Raising Standards

The Misbourne continues to be a Good School:

"A culture of ambition permeates the school; students are at the heart of everything the school does"
