

Photo Consent Form

At The Misbourne we sometimes take photographs and videos of students. We use these in the school's prospectus and other documents, in marketing material, on the school's website, on Twitter, in advertisements and on display boards around school.

We would like your consent to take photos of your child and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Why are we asking for your consent again?

You may be aware that there are new data protection rules which came into force May 2018. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of students, to be able to showcase what students do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
